# Highlights

## Charge from a car's 12 V outlet

The compact charger plugs into a car's 12 V outlet, and connects to your device for easy and convenient charging on the road.

## Delivers more power

Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

## 4 interchangeable faceplates

Includes 4 interchangeable faceplates - change the look to suit your style

## Magnetic cable organiser

Integrated magnetic cable organiser keeps your connector close at hand and your cables neat
