Highlights

Charge from a car's 12V outlet

The compact charger plugs into a car's 12V outlet, and connects to your device for easy and convenient charging on the road.

Delivers more power

Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

4 interchangeable faceplates

Includes 4 interchangeable faceplates - change the look to suit your style

Magnetic cable organizer

Integrated magnetic cable organizer keeps your connector close at hand & your cables neat
