# Highlights

## Delivers more power

Don't sit around waiting for your device to charge! The higher power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

## Dual charging

Turn one outlet into a dual-charging station! This charger has two power outlets so you can connect two of your favourite devices using their USB cables.

## Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.

## Magnetic cable organiser

Integrated magnetic cable organiser keeps your connector close at hand and your cables neat
