DR8S8J05C

## Inventor of CD and DVD technologies

The DVD+R and DVD+RW markets are growing, and Philips is playing a leading role in meeting end users' requirements by being among the first to introduce innovative developments such as high-speed and high-capacity discs.

### High-capacity recording

- Record up to 4 hours of superb DVD-quality content on 1 disc

### Preserve your favourite memories on DVD

- Reliable, high-quality media ensures your data will be preserved

### Ultimate Convenience

- No time-consuming formatting and finalisation required
- watch your recordings on most existing DVD video players
- One disc for all applications, bringing environments together

### Perfect solution for data, PC music, photo and games

- Excellent solution for back-ups or temporary file storage

### Record at amazing speeds!

- You can burn a complete DVD in only 8 minutes
