- Battery type: AA / LR6 Alkaline
- Number of batteries: 4
- Operating time on battery: 8 hr

Dimensions

- Master carton weight: 3.03 kg
- Product dimensions (WxDxH): 210 x 150 x 135
- Weight incl. Packaging: 1.33 kg
- Master carton dimensions: 300 x 240 x 145 mm
- Master carton quantity: 2
- Weight: .96 kg

Accessories

- Cables: 3.5mm AUX-in
- USB cable: White

DS3000/37

Highlights

Dynamic Bass Boost (DBB)

Dynamic Bass Boost maximizes your music enjoyment by emphasizing the bass content of the music throughout the range of volume settings - from low to high - at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.

Neodymium speakers

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and a pure balanced sound quality.

PC synchronization

Dock it, play it, sync it and charge it! Dig in to your favorite music on your iPod or iPhone while it charges and synchronizes with your PC via USB - and enjoy superb sound quality together with thoroughly unbeatable convenience. Let the great tunes go on and on - without ever running out of power.
