### Effortless use and cleaning for everyday enjoyment

- Exceptionally easy to clean with LatteGo: 2 parts, no tubes
- Up to 5000 cups\* without descaling thanks to AquaClean
- Easy cleaning thanks to the fully removable brew group

# Highlights

## 12 delicious coffees

Every moment has its own kind of coffee to enjoy. From powerful espresso to indulgent cappuccino, your fully automatic espresso machine delivers perfect in-cup results in no time, without any fuss.

## LatteGo milk system

Top your coffee off with a silky-smooth layer of milk froth. The LatteGo mixes milk and air at high speed in the round frothing chamber, then adds a splash-free, creamy layer of milk froth to your cup at just the right temperature.

## Intuitive display

There's little standing between you and your next delicious cup of coffee with our easy to use display. In a few steps you can customise your fresh-bean flavour and flow smoothly from craving to cup.

## Coffee customiser

Make any coffee your own with the coffee customiser's easily adjustable settings for intensity, coffee and milk length.

## User profiles

Enjoy coffee you love the same way every time with four user profiles that store your customised recipes. With an extra guest profile, your visitors can savour a coffee exactly the way they like, without changing yours.

## Extra shot function

Boost your drink's intensity with the coffee customiser's extra-shot feature, which adds powerful flavour without the bitterness.

## Perfect temperature and aroma

The Aroma Extract system intelligently strikes the optimum balance between brewing temperature and aroma extraction by keeping

the water temperature between 90 and 98°C, while regulating the water flow rate, so you can enjoy delicious coffees.

## 12-step grinder adjustment

Our durable ceramic grinders can be adjusted in 12 steps, so you can turn your beans into anything from ultra-fine powder to coarse grindings.

## 100% ceramic grinders

Our grinders are 100% pure ceramic: extremely hard and precise, so you can enjoy fresh aromatic coffee, for at least 20,000 cups.

## Exceptionally easy to clean

For your convenience, you can put the LatteGo drip tray and the coffee ground container in the dishwasher. This will save time and ensure a hygienic clean.

# Specifications

## Country of origin

Designed in: Italy  
Made in: Romania
