More than 10 hours of music on one MP3-CD

One MP3-CD can contain over 10 hours of music or more than 150 tracks.

Upgradeable for future audio compressed formats

Future proof technology allows user to upgrade the playback software to accommodate new audio compression codec.

My favorite function

Stores up your favorite tracks for playing back.

480-second Magic electronic skip protection™

Automatically stores up to 480 seconds of music at 128 Kbps (MP3 format) to prevent music interruptions caused by shocks.

Dot matrix display supporting ID3 tag

Display that shows name of track, artist and album & track number for easy navigation.

CD, CD-R and CD-Rewritable compatible

Ensures that all CD's including CD-Recordable and CD-Rewritable discs, made by any CD-Recorder, can be played.

Playback of MP3 (16-320 Kbps) and VBR

Supports 16 upto 320 Kbps per MP3 track and variable bitrate per MP3 track.

24-hour playback with 2 x AA Alkaline batteries (MP3-CD)

Powersaving technology extends battery playing time to 24 hours with 2 regular LR6-size (AA) alkaline batteries.

Digital dynamic bass boost (2-step)

Enhances bass at low, mid and high volume, to give deep, rich sounds.

Compact disc audio player

Compact Disc technology that provides uncompressed superb digital sound quality.

Heat resistant body

Unique composite material enables the CD player to withstand very high temperature.

1-Bit D/A converter

Advanced digital conversion technology ensures crystal-clear sound.

Hold

Locks all buttons to prevent interruption of play or change of program settings.

Resume

Bookmark function that ensures the CD starts precisely from the point it was stopped.

Automatic power off

Automatically switches off the CD player at the end of a compact disc.

Album/ track - plus/ minus

Scrolls through albums and very fast through all songs.

CD next/ previous

Plays the next or previous track at the touch of a button.

Repeat one/ album/ all

Repeat the current track, the current album or the total CD.

Shuffle album/ all

Plays album or disc randomly, giving you each time a new sequence of tracks.

50-track programmable

Stores up to 50 of your favorite tracks for playing back in your order of preference.

Audible feedback

Confirms any key-push with friendly beep to acknowledges that a command has been given.
