- Accessory storage: Bridge

Motor

- Max. input power: 2000 W
- IEC input power: 1800 W
- Max. suction power: 350 W
- Airflow: 40 l/s
- Vacuum: 30 kPa

Vacuum cleaner specifications

- Electronic power control

- Noise level Lc IEC: 76 dB
- Outlet filter: Super Clean Air HEPA
- HEPA AirSeal: NA
- Standard nozzle: Tri-Active all purpose nozzle
- Active Fragrance: NA
- Dust capacity: 2 l
- Action radius: 12 m
- Lead length: 9 m
- Tube: Metal lacquered telescopic tube
- Coupling: Button
- Park/storage assist: Park
- Handgrip: Top
- Weight: 7.2 kg
- Wheels material: Rubber wheels

Design

- Colour(s): Black

Highlights

Tri-Active nozzle

The Tri-Active nozzle cleans your floor in three different ways in just one sweeping motion. Thanks to the double hinge and the aerodynamically designed suction channel, the effectiveness of the suction power is optimised. Two side brushes sweep up the dust and dirt closely alongside furniture and skirting boards where dust tends to pile up. And a larger opening at the tip of the nozzle easily sucks up bigger particles such as bits of paper, paperclips, crumbs and fluff.
