# Highlights

## Connect with adaptor

Thanks to the SD card adaptor, a Micro SD card can be easily converted into into a full SD card size. You can transfer your photos, songs and videos to other devices and share with your friends.

## Easy to carry

It is annoying to lose all the data and pictures together with your SD cards. Now you can carry your micro SD card with the by-packed small case, you will never lose or break it again!

## Super-fast transfer speeds

Thanks to the Class 10 performance and fast transfer speeds of this SDHC card, you don't have to wait long for data transferring anymore!
