Highlights

32GB storage capacity

A useful 32GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Connect with adaptor

Thanks to the SD card adaptor, a Micro SD card can be easily converted into a full SD card size. You can transfer your photos, songs and videos to other devices and share with your friends.

Easy to carry

It is annoying to lose all the data and pictures together with your SD cards. Now you can carry your micro SD card with the by-packed small case, you will never lose or break it again!

Perfect for your devices

Perfect for your cameras, mp3 players, games consoles

Store your media

Store your songs, photos and videos

Super-fast transfer speeds

Thanks to the Class 10 performance and fast transfer speeds of this SDHC card, you don't have to wait long for data transferring anymore!
