- Demo mode

3-CD Changer

Multi-disc play capability provides more than three hours of continuous music.

MAX Sound

MAX Sound for instant Bass Boost - maximum Bass and Volume performance creating the most impressive listening experience at the touch of a button.

Incredible Surround™

An exciting, new, psycho-acoustic method of widening the stereo spatial image especially suited for applications with limited separation of left and right speakers.

Virtual Environment Control (VEC) (cinema, hall, concert)

Virtual Environment Control (cinema, hall, concert) creates a virtual environment in which the listener experiences different special sound simulations, greatly enhancing the excitement and enjoyment of his or her favorite music.

Digital Sound Control (rock, techno, jazz, optimal)

Digital sound control (or DSC) offers different sound settings tailored for specific musical styles.

3-step Dynamic Bass Boost

Boosting bass response as much as 8 decibels (nearly 3 times more than normal) Dynamic Bass Boost yields full, rich tonal quality at all volume levels.

3-Way Bass Reflex Speaker System

Equipped with one 5.25" woofer and one 2" ferro fluid tweeter and one 1" polydome cone tweeter, 3-way enclosures feature a wider range of frequency response for greater listening pleasure and bass reflex enclosures for deep, rich bass response.

Clock, Alarm & Sleep-Timer

Set the alarm portion of a built-in digital clock to wake you to music from your favorite CD or a radio station at any desired time of the day. Sleep timer settings of 60, 45, 30 or 15 minutes.
