

# wOOx Technology

Hear the Bass, Feel the Difference

### Impressive power and bass

- 3 way Speaker System with wOOx Technology™ for Deeper Bass
- 2 x 60W RMS / 2 x 120W Music Power / 2200W PMPO

### Extensive sound features

- 3 step wOOx level control
- 6 modes Digital Sound Control (Rock, Pop, Digital, Classic, NewAge, Electric)
- 6 modes Virtual Ambience Control (Arcade, Cyber, Hall, Cinema, Concert, Disco)
- Incredible Surround™

### Navigate with ease

- Interactive Dashboard display with VU meter

# Mini Hi-Fi System with 3 CD Changer

## standard product information

### disc player

- 3 CD Changer - change 2 discs while playing 1
- Plays CD, CD-R and CD-RW discs
- 40 tracks CD random program
- Play modes (repeat/shuffle/program)
- CD Repeat (track/disc/all)

### tuner

- FM/MW/LW Digital Tuning with 40 presets (LW /22)
- Plug & Play for easy installation of radio stations
- Autostore facility
- RDS - Station name, programme type, RDS text, clock set, 'NEWS' (/22, /34)
- Automatic clock set via RDS (/22, /34)

### tape

- Dual Logic Tape Deck
- CD Synchro Recording
- Auto Replay (Auto Reverse /34)
- Normal speed dubbing
- Automatic recording level control
- Electronic speed control and full auto stop
- Automatic tape type selection
- Dolby B Noise Level Reduction (/34)

### sound

- wOOx Technology™ Speaker System for Deeper Bass
- Digital Sound control (rock, pop, digital, classic, newage, electric)
- Virtual Ambience control (arcade, cyber, hall, cinema, concert, disco)
- 3-step wOOx level control
- Incredible Surround™

### amplifier

- 2 x 120 watts Music Power
- 2 x 60 watts RMS
- 2200 watts PMPO

### loudspeaker boxes

- 3 way Bass Reflex speaker system
- 6.5" woofer
- 2" Ferro Fluid tweeter
- 1" Polydome piezo
- 6.5" wOOx Bass Radiator
- Detachable grilles

### connections

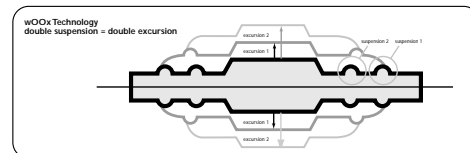

- Audio Input Analog :AUX (cinch)
- Audio Output Analog : line out (cinch)
- Digital Recording Ready :
  - Digital out : cinch type socket
- Stereo headphones : 3.5mm stereo jack
- Antenna : FM coaxial, MW loop

### general

- FTD display
- 3 Display modes includes Dim mode
- Mechanical VU meter
- Clock, Alarm & Sleep timer
- 31 key Remote Control
- Demo mode
- Interactive Dashboard Display with VU meter
- Eco power standby mode (<1 watt) (/22, /34)

### wOOx Technology™

Philips patented wOOx Technology ensures superior bass results. The dual suspension bass radiator, together with dedicated amplifier circuitry, is especially designed to produce and handle high dynamic sound signals at very low frequencies. Because of the dual suspension, the excursion of the membrane can be extreme (see illustration). This is in combination with the symmetrical sandwich construction, provides for very low and precise bass without noticeable distortion. The net effect of using wOOx Technology is a tight bass sound that is significantly "lower and louder" than conventional mini shelf systems.

### 3-Step wOOx Level Control

As the human ear does not perceive low frequencies at the same level as higher frequencies (though at the same "volume"), the bass sound needs to be enhanced to achieve maximum impact. The wOOx is progressively driven at different optimization levels in setting wOOx 1, 2 and 3.

### 3-Way Bass Reflex Speaker System

Equipped with one 6.5" woofer and one 2" ferro fluid tweeter and one 1" polydome piezo, 3-way enclosures feature a wider range of frequency response for greater listening pleasure and bass reflex enclosures for deep, rich bass response.

### Interactive Dashboard Display

An integrated Fluorescent Tube Display (FTD) Volume Unit (VU) Meter shows volume level and musical amplitude during playback.
