- 3 display mode incl. NITE mode
- Multicolor FTD display
- Clock/timer
- Wake-up with CD, tuner or tape
- 42-key Remote Control
- Karaoke Feature
- Digital Echo (CD only)
- Vocal Fader (CD only)
- Tone Control (CD only)
- Demo mode

**Super Error Correction**

To ensure consistently good results when playing Video CD discs of all quality grades and conditions, Philips has introduced further improvements in the system’s playability. These developments together are called Super Error Correction, a proprietary Philips technology optimising the system’s ability to handle less-than-perfect discs with the minimum disturbance to normal playing.

By effectively eliminating virtually all errors arising under normal playing conditions, Super Error Correction ensures that the picture quality as seen by the user is independent of disc play, the video encoding and processing during mastering of the disc, and the MPEG-1 decoding and video encoding in the signal processing stages, are now the only limiting factors for picture quality.

**specifications**
- EAN: 8710101639710 (/21M)
- Product Dimensions:
  - 240mmW x 310mm H x 340mm D (center unit)
  - 210mmW x 330mm H x 240mm D (speakers)
- Package Dimensions:
  - 644mmW x 410mm H x 474mm D (21M)
  - 744mmW x 410mm H x 474mm D (21K)
- Product weight: 15 kg (21M), 18 kg (21K)
- Carton contents: 3VCD Mini System, Multi-Function Remote Control, Batteries (2 x AAA), Operating instructions, Warranty Information, FM antenna, AM antenna
- Made in sticker
