

Philips
Mini Hi-Fi System

FW-V795

Video CD and MP3 Playback

Impressive power and bass

- Bass Reflex Speaker System delivers a powerful, deeper bass
- 6000W PMPO/460W RMS
- wOOx™ loudspeaker Technology for deep and powerful bass

Extensive sound features

- Virtual Ambience Control provides simulated sound settings
- Virtual Environment Control allows simulated sound settings
- Incredible Surround™ enhances the sound stage
- 3-Step wOOx level control

Intuitive and easy to use

- Interactive Dashboard Display for a visual audio experience

PHILIPS

Specifications

Sound

- Output Power: 6000W PMPO/460W RMS
- Sound Enhancement: Digital Sound Control, Virtual Ambience Control, Incredible Surround, wOOx technology

Loudspeakers

- Main Speaker: 3 way, Bass Reflex Speaker System, 6.5" woofer, wOOx Bass Radiator, 2" tweeter, Piezo, Speaker grilles detachable
- Number of Loudspeakers: 4

Video Playback

- Playback Media: Video CD
- Disc Playback Modes: A-B Repeat
- Loader Type: Motorised
- Number of Discs: 3
- Video disc playback system: NTSC, PAL

Audio Playback

- Playback Media: CD, CD-R, CD-RW, MP3-CD
- Disc Playback Modes: 40-Track Programmable, Repeat/one/all/program, Repeat/one/disk/program
- Cassette Deck Technology: Logic
- Number of decks: 2

Audio Recording

- Recording Media: Tape
- Tape Recording Enhancement: Automatic Recording Level, CD Synchro Start Recording

Tuner/Reception/Transmission

- Auto digital tuning
- Station presets: 40
- Tuner Bands: FM Stereo, MW
- Tuner Enhancements: Auto Store, Easy Set (Plug &

Play)

Connectivity

- Aux in: Line in
- Headphone: 3.5 mm
- Microphone: Microphone socket
- Other connections: Composite video (CVBS) out, FM Antenna, MW Antenna

Convenience

- Alarms: CD Alarm, Radio Alarm, Sleep timer
- Clock: On main display
- Display Type: FTD
- Eco Power Standby: 1 watt

Accessories

- Included accessories: AC Power Cord, FM/MW Antenna
- Remote control: 45-key with 2xAA batteries

Dimensions

- Set dimensions (W x H x D): 265 x 310 x 390 mm
- Main speaker dimensions (W x H x D): 240 x 350 x 310 mm
- Power Booster dimensions (W x H x D): 140 x 310 x 345 mm
- Surround Speaker dimensions (W x H x D): 140 x 310 x 310 mm
- Packaging dimensions (W x H x D): 1047 x 410 x 552 mm
- Weight incl. Packaging: 22 kg

Power

- Power supply: 110-240V, 50/60 Hz

Highlights

Bass Reflex Speaker System

Bass Reflex Speaker System delivers a deep bass experience from a compact loudspeaker box system. It differs from a conventional loudspeaker box system in the addition of a bass pipe that is acoustically aligned to the woofer to optimize the low frequency roll-off of the system. The result is deeper controlled bass and lower distortion. The system works by resonating the air mass in the bass pipe to vibrate like a conventional woofer. Combined with the response of the woofer, the system extends the overall low frequency sounds to create a whole new dimension of deep bass.

6000W PMPO/460W RMS

wOOx™ Technology

wOOx technology is a revolutionary loudspeaker concept that allows you to hear and feel profoundly deep bass that is richer than any other audio system. Special speaker drivers work in harmony with the wOOx bass radiator, and precise tuning between the main driver and the tweeter ensures smooth transitions from low-mid to high frequencies. Dual suspension and a totally symmetrical sandwich construction deliver low and precise base without noticeable distortion. wOOx produces exceptionally deep and dynamic bass by using the speaker box full volume to truly magnify the impact of the music.

Virtual Ambience Control

Virtual Ambience Control (VAC) creates a virtual sound environment which digitally mimics the acoustic characteristic of special rooms or environments such as concert halls, the cinema, arcades, discos, etc. By realistically recreating the sound ambience of these different settings, VAC will dramatically enhance your enjoyment of your favorite music.

Virtual Environment Control

Virtual Environment Control (VEC) creates a virtual sound environment in which the listener can experience music as it would sound in various simulated sound settings. VEC sound settings digitally mimic the acoustical effects that are characteristic of special rooms and environments such as Hall, Cinema, and Concert. By recreating the sound ambience of different environments and settings, VEC dramatically enhances enjoyment of your favorite music.

Incredible Surround™

Incredible Surround™ widens the sound stage, giving you the impression of having extra speakers all around you.

3-Step wOOx level control

3-Step wOOx level control

Interactive Dashboard Display

Interactive Dashboard Display is a visually attractive animated graphics display with volume meter. It gives you at-a-glance track and volume information using an attractive dashboard interface. Interactive Dashboard Display integrates a Fluorescent Tube Display (FTD) and a Volume Unit (VU) meter to display volume levels, useful track information and music amplitude during playback. The exciting animated graphics add to the overall 'feel' of the music.
