Dimensions

- **Set dimensions (W x H x D):** 265 x 310 x 367 mm
- **Main speaker dimensions (W x H x D):** 235 x 457 x 247 mm
- **Subwoofer dimensions (W x H x D):** 200 x 310 x 388 mm
- **Surround Speaker dimensions (W x H x D):** 140 x 310 x 310 mm
- **Center speaker dimensions (W x H x D):** 247 x 130 x 160 mm
- **Packaging dimensions (W x H x D):** 524 x 885 x 611 mm
- **Weight incl. Packaging:** 35 kg

Power

- **Power supply:** 120V, 60Hz
- **Standby power consumption:** <1 W

Product highlights

3 DVD changer

DivX playback

With DivX support, you are able to enjoy DivX encoded videos in the comfort of your living room. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, memory cards and DVD-video. DivX CDs can be played back on selected DVD players, DVD Recorders and Home Theater Systems.

Dolby Pro Logic II Surround

Dolby Pro Logic II is an advanced matrix decoder that derives five channels of surround sound, including two full-range surround channels, from any stereo source.

Progressive Scan

Progressive Scan doubles the vertical resolution of the image resulting in a noticeably sharper picture. Instead of sending a field comprising the odd lines to the screen first, followed by the field with the even lines, both fields are written at one time. A full image is created instantaneously, using the maximum resolution. At such a speed, your eye perceives a sharper picture with no line structure.

Total 750W RMS/ 10000W PMPO

MAX Sound

MAX Sound technology produces an instant boost in bass, maximizing volume performance and instantly creating the most impressive listening experience with just the touch of a button. Its sophisticated electronic circuitry calibrates existing sound and volume settings, instantly boosting bass and volume to maximum levels without distortion. The end result is a noticeable amplifying of both sound spectrum and volume and a potent audio boost that will add mileage to any music.

3-way spk sys with MAX port

3-step Dynamic Bass Boost

Dual Logic Tape Deck

40-preset digital tuning
