- Remote control: 32-key with 2xAA Batteries
- Included accessories: AC Power Cord, FM/MW Antenna

Software

- USB PC Link driver

System Requirements

- CD-ROM drive
- USB: Free USB port

Dimensions

- Set dimensions (W x H x D): 265 x 322 x 396 mm
- Main speaker dimensions (W x H x D): 345 x 322 x 240 mm
- Packaging dimensions (W x H x D): 544 x 726 x 398 mm
- Weight incl. Packaging: 21 kg

Power

- Power supply: 110-240V, 50/60 Hz
- Standby power consumption: < 1 W

Highlights

USB PC Link

USB PC Link lets you playback your MP3 music through the powerful speakers of Philips sound systems instead of your PC speakers. By connecting a PC directly to your audio system with a USB cable, you can stream MP3 music directly to your sound system, transforming your PC into a 'massive MP3 music jukebox'. The control buttons on the sound system and remote control provide easy navigation and control of the MP3 music stored in the MusicMatch Playlist. You can also view song title information as well as elapsed play time on the sound system's display.

Class 'D' Amplifier

Class 'D' Digital Amplifier takes an analog signal, converts it into a digital signal and then amplifies the signal digitally. The signal then enters a demodulation filter to give the final output. The amplified digital output delivers all the advantages of digital audio, including improved sound quality. In addition, Class 'D' Digital Amplifier has greater than 90% efficiency compared to traditional AB amplifiers. This high efficiency translates into a powerful amplifier with a small footprint.

MAX Sound

MAX Sound technology produces an instant boost in bass, maximizing volume performance and instantly creating the most impressive listening experience with just the touch of a button. Its sophisticated electronic circuitry calibrates existing sound and volume settings, instantly boosting bass and volume to maximum levels without distortion. The end result is a noticeable amplifying of both sound spectrum and volume and a potent audio boost that will add mileage to any music.
