## Faster from start to finish

### Speeds up your ironing in 5 ways

Make ironing faster from start to finish: quick heat-up, XL water hole, powerful bursts of steam to tackle tough creases, durable ceramic soleplate for quick gliding and our drip-stop system. That's five ways to speed up your ironing.

#### Easy ironing

- Drip-stop system keeps garments spotless while ironing
- Durable ceramic soleplate for easy gliding
- Easy cord wrapping with clip for quick, tidy storage
- Less refilling with extra-large 300 ml water tank

#### Long-lasting performance

- Calc-clean slider for long-lasting steam performance

#### Fast ironing

- Extra-large water hole for fast filling and emptying
- Up to 180 g steam boost blasts stubborn creases
- Triple precision tip for optimal control and visibility
- Steam output up to 35 g/min for strong, steady performance
- 2300 W for quick heat-up in 30 seconds

# Highlights

## Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

## Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium build-up, or lime scale, and maintain peak performance.

## Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

## Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

## Cord wrapping with clip

The cord is easily wrapped around the base of the iron and held in place with a clip for tidy storage.

## 300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank so you can iron more clothes in one go.

## XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

## Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

## Up to 35 g/min of steam

Steam output up to 35 g/min for strong and steady performance

## 2300 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

# Specifications

## Fast crease removal

Continuous steam: 35 g/min  
Power: 2300 W  
Steam boost: 180 g  
Variable steam levels  
Vertical steam  
Water spray

## Easy to use

Soleplate name: Ceramic  
Water tank capacity: 300 ml  
Cord freedom (swivel): 360 degree cord freedom

Power cord length: 2.5 m  
Precision steam tip  
Tap water suitable  
Drip-stop  
Extra-large filling hole

## Scale management

Descaling and cleaning: Self-clean

## Storage

Cord storage: Cord clip

## Size and weight

Weight of iron: 1.150 kg

## Guarantee

2 year worldwide guarantee

## Green efficiency

Energy saving mode  
User manual: 100% recycled paper

## Technical specifications

Heating time: 30 sec.
