

#### Steam iron

- 2300 W
- 180 g steam boost
- 35 g/min continuous steam
- Ceramic soleplate

GC2672

## Faster from start to finish

Speeds up your ironing in 5 ways

Make ironing faster from start to finish: quick heat-up, XL water hole, powerful bursts of steam to tackle tough creases, durable ceramic soleplate for quick gliding and our drip-stop system. That's five ways to speed up your ironing.

#### Benefits

##### Easy ironing

- Drip-stop system keeps garments spotless while ironing
- Durable ceramic soleplate for easy gliding
- Easy cord wrapping with clip for quick, tidy storage
- Less refilling with extra-large 300 ml water tank

##### Long-lasting performance

- Calc-clean slider for long-lasting steam performance

##### Fast ironing

- Up to 180 g steam boost blasts stubborn creases
- Extra-large water hole for fast filling and emptying
- Triple precision tip for optimal control and visibility
- Steam output up to 35 g/min for strong, steady performance
- 2300 W for quick heat-up in 30 seconds

**PHILIPS**

## Features

### Drip-stop system

Our drip-stop system prevents leakage to avoid stains from water droplets — and iron with confidence at any temperature.

### Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium build-up, or lime scale, and maintain peak performance.

### Steam boost up to 180 g

Penetrates deeper into fabrics to easily remove stubborn creases.

### Ceramic soleplate

Our durable ceramic soleplate glides well on any ironable garment. It's non-stick, scratch resistant and simple to keep clean.

### Cord wrapping with clip

The cord is easily wrapped around the base of the iron and held in place with a clip for tidy storage.

### 300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank so you can iron more clothes in one go.

### XL water filling hole

An extra-large opening for filling the water tank makes quick work of refills and emptying.

### Triple precision tip

The tip is precise in 3 ways. It has a pointed tip, button groove and sleek nose design. Our triple precision tip helps you handle even the hardest-to-iron spots, like buttons and pleats.

### Up to 35 g/min of steam

Steam output up to 35 g/min for strong and steady performance

### 2300 W to heat up quickly

Delivers a fast warm-up in 30 seconds for a quick start.

## Specifications

Please note that this is a pre-sales leaflet. The contents of this leaflet reflect the best of our knowledge per date and country mentioned above. The contents of this leaflet are subject to change without notice. Philips does not accept any liability as to the contents of this leaflet.

### Fast crease removal

Continuous steam 35 g/min  
Power 2300 W

Steam boost 180 g  
Variable steam levels Yes  
Vertical steam Yes

## EasySpeed Advanced

Water spray Yes

### Easy to use

Soleplate name Ceramic
