Highlights

2000 Watt

2000 W
max

2000 Watt enables constant high steam output.

Up to 30 g/min of steam

Continuous steam up to 30 g/min for better crease removal.

Steam boost up to 90 g

The iron's 90 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
