Highlights

2100 Watt

2100 W
max

2100 Watt enables constant high steam output.

Steam output up to 35 g/min

Continuous steam output of up to 35 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 95 g

Steam boost up to 95 g for the most stubborn creases

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Calc buster pill

**Calc
buster
pill**

After time calc builds up in your iron. This pill breaks down the calc in pieces so you can calc clean your iron easily. This cleaning needs to happen once a month.
