## 2300 W Power for great performance With scratch-proof Anodilium soleplate

This powerful Philips iron comes with the most robust soleplate of all irons. Nothing can scratch this iron while it glides smoothly over your garment. The powerful steam boost helps you to blast all creases away easily.

### Easily removes creases

- Continuous steam output up to 40 g/min
- 130 g steam boost to remove stubborn creases easily

### Easy gliding on all fabrics

- Scratch-resistant, highly durable Anodilium soleplate

### Comfortable ironing

- Soft grip for lasting ironing comfort
- Vertical steam for crease removal in hanging fabrics

### Reaches into tricky areas

- Steam tip allows you to have steam in hard-to-reach areas

### Safe ironing

- Drip-stop system keeps your garments spotless while ironing
- 3 Safety Auto Off triggers

# Highlights

## Anodium soleplate

Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

## Safety Auto Off

# Auto off

Iron shuts off automatically when the iron is held still for 30s on its soleplate, lying on its side for 30s or standing on its heel rest for 8 minutes.

## Up to 40 g/min of steam

# 0-40 g vario

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Steam boost up to 130 g

The steam boost can be used for vertical steaming and tough creases.

## Steam tip

The unique steam tip of this Philips iron combines a particularly pointed front of the soleplate with special elongated steam slots in the tip to reach right into the smallest and most difficult areas for the best ironing results.

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

## Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

## Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
