Highlights

Immediate storage box

This unique and solid storage box allows immediate and safe storage of your hot iron.

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Highly visible water level

The extra-clear indicator of your Philips iron, makes the water level highly visible, so you always know if you have enough water at a glance.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.
