

PHILIPS

Steam iron

3500 series

GC3591/27

Look hot every day

Great result minimum effort, 3 x easier

This Philips steam iron offers you not only extra convenience because of the large water inlet, its new SteamGlide soleplate for easy and smooth gliding; its unique and solid storage box allows immediate and safe storage of your hot iron!

Easily removes creases

- Continuous steam output up to 40 g/min
- 130 g steam boost to remove stubborn creases easily

Easy gliding on all fabrics

- SteamGlide soleplate is Philips premium soleplate

Comfortable ironing

- Less refilling with extra-large 300 ml water tank
- Extra-clear indicator for highly visible water level

Faster set-up and storage

- Immediate storage box

Highlights

300 ml water tank

Fewer refills are required thanks to a large 300 ml water tank. So you can iron more clothes in one go.

Highly visible water level

The extra-clear indicator of your Philips iron, makes the water level highly visible, so you always know if you have enough water at a glance.

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Immediate storage box

This unique and solid storage box allows immediate and safe storage of your hot iron.
