Highlights

Ionic DeepSteam

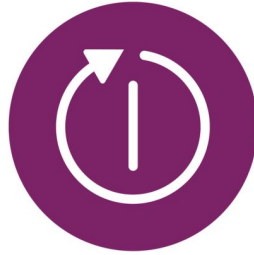

The ionisation process creates smaller steam particles that reach deeper into the fabric. This means even the toughest creases are removed easily.

SteamGlide soleplate

The SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistance, glides excellently and is easy to clean.

Auto shut-off

The electronic shut-off automatically switches the iron off when it is left unattended or tips over.

Steam boost up to 170 g

The steam boost can be used for vertical steaming and tough creases.
