# Highlights

## 100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

## 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

## 100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

## Anodilium soleplate

### Anodilium

Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

## 2600 W for fast heat-up

# 2600 W max

2600 W iron for fast heat-up and powerful performance on all your ironable garments.

## Auto Steam Sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

## Constant steam up to 50 g/min

Constant powerful steam up to 50 g/min for better crease removal for all your garments.

## Smart light feedback

### Smart light feedback

Smart light feedback indicates the status of the iron at any time.

## OptimalTEMP

One perfect setting for all your clothes. Always the perfect combination of steam & temperature because: 1) Advanced Smart Control Processor sets the perfect combination of steam & temperature 2) The ultra powerful cyclonic steam chamber delivers powerful constant steam for all your fabrics

## Automatic shut-off

# Safety auto off

Iron shuts off automatically when the iron is hold still for 30s on soleplate, 30s lying on a side or standing on its heel rest for 8 minutes.
