- Intelligent calc clean reminder with sound and light
- The safety auto off function automatically switches the appliance off

#### Fast ironing

- Max 5.5 bar pump pressure
- Ready to use in 2 minutes with unlimited refill
- Smooth and easy gliding with Steam Glide Ceramic soleplate
- Continuous steam
- Steam boost up to 250g

# Highlights

## 2.2 L detachable water tank

A large detachable water tank for easy refills, strong steam boost. The SteamGlide Ceramic soleplate will help you reduce your ironing time significantly, while the carry lock and Smart CalcClean make ironing convenient.

## Safe Carry Lock

Your steam generator iron comes with a safety carry lock. You can lock your iron safely on the base, making it safer and reducing the risk of people touching the hot soleplate. You can also carry the steam generator easily.

## Refill with tap water at any time

Your steam generator iron is designed to use tap water. While ironing, when the water tank runs out of water, you can easily refill it without having to wait or turn off your appliance.

## Quiet ironing

Watching TV or listening to music while ironing? This steam generator iron works really quietly for an even more pleasant ironing experience.

## Smart Calc Clean

Smart Calc Clean is an integrated descaling and cleaning function to protect your iron. To provide optimal steam performance, ensure a long life span and prevent white flakes, your steam generator iron will remind you to descale it. For maximum convenience, remember to always use the Smart Calc Clean container provided with your appliance.

## Max 5.5 bar pump pressure

The more steam, the faster the ironing. Consistent powerful steam is generated, penetrating deep inside the garments to make ironing quicker and easier. Steam power can be regulated to fit your needs.

## Ready to use in 2 minutes

Steam is ready to use in 2 minutes and can be refilled at any time during ironing.

## SteamGlide Ceramic soleplate

Steam Glide Ceramic combines easy gliding and scratch resistance to help ensure smooth ironing

## Continuous steam

The more steam, the faster the ironing. The unique technology used in the Philips steam generator iron produces powerful steam, making ironing quicker, easier and better.

## Steam boost up to 250 g

The steam boost can be used for vertical steaming and tough creases.
