- Detachable 1.6 L watertank
- Heat-resistant mat: to safely place your hot iron on

Easy set up and storage

- Ready to use in 2 minutes with unlimited refill
- Lock and carry your system effortlessly with one hand
- Easy one touch cord storage- just press the button

Highlights

Up to 5 bar

Double your ironing speed with pressurized steam. The pressurized steam from your Philips iron penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

Detachable 1.6 L watertank

A large watertank capacity enables you to iron with steam without having to refill. The tank can hold a large amount of water so you can iron up to 3 hours uninterrupted. Being detachable, you can easily re-fill the tank any time. It gives you endless, powerful steam.

Iron resting mat

To improve comfort during ironing you can place the iron everywhere with the heat resistant iron resting mat. As you do not need

to put the iron on its heel during intervals, you decrease the straining of your wrist. The resting mat is highly heat resistant, even when a soleplate heated to 250 °C is placed on it.

Carry-lock

Carrying your steam system has never been so easy. Lock your iron to the base by using the lock-lever at the back and carry the entire system with a single hand. This enables you to carry and store your system immediately and safely, anytime you want.

Automatic cord winder

Thanks to the automatic cord winder, you can just press the button to automatically retract the powercord.

Steam boost up to 170 g

Applying the steam boost will release a steam shot up to 170 g to remove even the toughest creases.
