Highlights

Automatic rice cooking

Rice cooking and keep warm conveniently

Automatic 12 hours keep warm

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keepwarm mode

One touch button

One press button to control cook or keep warm, with clear light on the panel to show cooking status

Simple lid design

Cool surface, easy to access with integrated handle

non-stick inner pot

The Philips rice cooker is specially coated with the non-stick material which is more durable and easy to clean.

Easy to access handle

Convenient to carry the rice cooker away from the kitchen, or to serve rice in dining room

water level indicator

Clear water level marking shows capacity and rice-water ratio

Detachable power cord for convenient storage

Detachable power cord for convenient storage
