- Easy-to-program timer ensures rice and meal is ready on time

The ultimate in convenience

- Advanced lid design for easy and safe access
- Swing handle for easy carrying
- Durable, extra-thick non-stick innerpot

Highlights

Fuzzy Logic control

The computerized heating mechanism of the Philip rice cooker and temperature control for optimal cooking result in different programs.

2 rice cooking menus

Rice menu includes: regular, quick rice cooking

Congee cooking

Cooking congee with optimal result

Reheat function for fresh rice

Use the reheating mode of the Philips pressure rice cooker to warm up rice that has cooled down.

Ideal for cooking small amount

0.4 Litre capacity dedicated for small amount cooking purpose, or for small size family

Automatic 12 hours keep warm

Use the keep warm function to keep rice or dishes warm for a longer period of time, without losing food nutrition and taste. When the cooking process is finished, the rice cooker automatically switches to the keep warm mode

LCD display

LCD display the cooking time, clock and timer setting

Easy-to-program timer

Use the timer for the rice cooking functions and the steam, stew, congee cooking and soup cooking mode. Timer cooking can preset up to 23 hours

Advanced lid design

Cool surface, easy to access with one touch button

Swing handle

Convenient and safe to carry the Philips rice cooker away from the kitchen, or to serve rice in dining room.

Durable, extra-thick non-stick innerpot

Durable, extra-thick non-stick innerpot
