Highlights

Large coffee pod variety

With more than 250 years of experience, Douwe Egberts knows exactly how to roast and grind carefully selected coffee beans for the best taste. Therefore Douwe Egberts SENSEO® coffee pod varieties represent the finest coffee selection as a guarantee for premium taste. The different blends and flavours ensure a wide range of choice for different moments and tastes.

Delicious coffee foam layer

The fine Douwe Egberts SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Stylish aluminium design

Aluminium has been adopted by interior designers across the world as the modern design material of choice. Lightweight yet strong, corrosion-resistant, scratch-proof and fingerprint-resistant, it offers many practical advantages, as well as adding a touch of design flair to any room. The SENSEO® Aluminium coffee machine will be an absolute eye-catcher in your kitchen and perfectly matches with the Philips range of aluminium kitchen appliances.
