Highlights

Fish tray accessory

The new fish tray accessory for the Philips steamer allows you now to steam a whole fish at once. The fish tray accessory lets you prepare your favorite fish without having to cut it first. It is suitable for fish up to 38 cm in length. Simply add your favorite herbs and spices and let steam do the rest.

Aroma Infuser

The unique Aroma Infuser of the Philips steamer adds delicious aroma of herbs and spices, bringing even more taste to steaming. Simply pop your favourite herbs and spices into the booster, and let steam do the rest. The heat from the steam releases delicate aromas from the herbs and spices, which thoroughly infuse the food with their mouth-watering flavours.
