Designed to last

Full stainless steel with extra-large lid opening

Durable kettle in safe, food-grade full stainless steel for long and reliable daily use. Philips brings 60 years of trust and expertise to this elegant long-life kettle.

Fast, safe boiling

- Flat heating element for fast boiling
- Multi safety system against boil-dry
- Durable full stainless steel body for long life

Simple to fill, use and clean

- Cord winder for easy adjustment and storage
- Cordless kettle with 360° pirouette base
- Easy refilling through lid or spout
- Easy-to-read water level indicator
- Spring lid with large opening for cleaning
- Pilot light indicates when the kettle is switched on

Highlights

Stainless steel design

Durable full-metal design in food-grade brushed stainless steel for long, reliable use.

Flat heating element

A concealed stainless steel heating element ensures fast boiling and easy cleaning.

Multi safety system

The kettle shuts off automatically when the water is ready, when it is lifted from the base or when there is too little water.

Pilot light

Elegant indicator light incorporated in the power switch indicates illuminates when the kettle is turned on.

Water level indicator

The water level is easy to read with an indicator located underneath the handle.

Spring lid with large opening*

A push-button lid opens smoothly at the touch of a button, avoiding steam contact. The large opening simplifies cleaning.

Easy refilling

The kettle can be filled through the spout or by opening the spring lid.

Cordless + 360° pirouette base

The cordless kettle sits on a 360° pirouette base for easy lifting and replacing.

Hidden cord winder

The cord can be wrapped underneath the base, so it's the right length for any kitchen and easily stored away.
