# Highlights

## Twin TurboStar technology

By combining a powerful heater and motor with our new Twin TurboStar technology, the hot air in the Airfryer swirls like a powerful tornado – throughout the entire cooking basket. Designed to extract more fat from your food and capture it all in the fat reducer for easy disposal. Philips Airfryer with Twin TurboStar technology also saves you and your home from the smell of fried oil compared to a regular fryer.

## Crispy taste & 90% less fat\*\*

The Airfryer XXL uses hot air to cook your favorite foods with little or no added oil, so you can fry with up to 90% less fat\*\*. Enjoy great tasting fried food with minimal fat thanks to fat removal technology.

## Inspiring recipes

From quick healthy snacks to full family meals, our free recipe book has more than 30 delicious ideas and easy-to-follow instructions from professional chefs. Our Philips Airfryer app is full of more tips, tutorials and easy-to-follow recipes.

## XXL family size

The Airfryer XXL is designed with your family in mind. Make delicious meals for the whole family every day. XXL capacity easily handles a whole chicken, 3.1lb of fries (2 bags of frozen fries), up to 6 portions for a whole world of possibilities.

## Fry, bake, grill or roast

The Airfryer XXL handles much more than just frying. Grill, bake and even roast your favorite foods for quick, delicious family meals. Our Philips Airfryer app is full of tips, tutorials and easy-to-follow recipes.

## Powerful Airfryer

By combining a powerful heater and motor with our new Twin TurboStar technology, this is very powerful Airfryer for fast cooking results, with instant heat-up so you're always ready to get started.

## No mess or odor

Airfryer's QuickClean basket has a removable non-stick mesh for easy cleanup. Both the basket and removable drawer with non-stick coating are dishwasher safe – and frying with air saves you and your home from the odor of traditional deep-frying.

## Dishwasher safe

To save time and ensure hassle-free cleanup, all removable parts are safe to clean in your dishwasher.
