## Features

### Crispy taste and 90% less fat

Proven performance. Make fries that are just as crispy as ones made in a traditional deep fryer, but with up to 90% less fat. Roast a whole chicken for crispy skin and tender meat while removing fat.

### Digital display and presets

The digital interface is easy to use with preset cooking programs for one-touch cooking of frozen fries, meat, fish and chicken drumsticks. A QuickControl dial sets both temperature and cooking time. The Keep Warm function gives you the flexibility to serve when you're ready.

### Dishwasher safe

To save time and ensure hassle-free cleanup, all removable parts are safe to clean in your dishwasher.

### Fry with little or no oil

The Airfryer uses hot air to cook your favourite foods with little or no added oil, so you can fry with up to 90% less fat\*. Enjoy great-tasting, crispy results like deep-fried, with the least amount of fat.

### Fry, bake, grill or roast

The Airfryer XXL handles much more than just frying. Grill, bake and even roast your favourite foods for quick, delicious family meals. Our Philips Airfryer app is full of tips, tutorials and easy-to-follow recipes.

### Keep Warm for flexible serving

The Keep Warm function lets you serve the food when you are ready for it. You can keep your dish warm up to 30 minutes.

### Our most powerful Airfryer

This is our most powerful air fryer for the fastest cooking times, with instant heat-up so you're always ready to start.

### No mess or odour

Airfryer's QuickClean basket has a removable non-stick mesh for easy cleaning. Both the basket and removable drawer with non-stick coating are dishwasher-safe — and frying with air saves you and your home from the odour of traditional deep-frying.

### Inspiring recipes

From quick, healthy snacks to full family meals, our free recipe book has more than 30 delicious ideas and easy-to-follow instructions from professional chefs. Our Philips Airfryer app is full of more tips, tutorials and easy-to-follow recipes.

### Twin TurboStar technology

By combining a powerful heater and motor with our new Twin TurboStar technology, the hot air in the Airfryer swirls like a powerful tornado — throughout the entire cooking basket. Designed to extract more fat from your food and capture it all in the fat reducer for easy disposal. Philips Airfryer with Twin TurboStar technology also saves you and your home from the smell of fried oil compared to a regular fryer.

### XXL family size

The Airfryer is designed with your family in mind. Make delicious meals for the whole family every day. XXL capacity easily handles a whole chicken or up to 1.4 kg of fries for a whole world of possibilities.
