# Highlights

## 700W Powerful Motor

Powerful 700W Motor for efficient all round performance

## PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

## High quality jars

High quality stainless steel jars enable grinding of batters, purees and pastes milkshakes and lassi in the same jar

## Compact body

A very elegant compact design takes less space on the shelf and is also easy to store and maintain

## 2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.
