Highlights

Precision trimmer

The precision trimmer perfectly grooms the bikini line with precision and comfort. Trims hair to a length as short as .24 inches/0.6mm.

Precision comb

When using the precision trimmer with the precision comb, you can trim the hair in your bikini area to your ideal length. With the 5 length settings you can trim to hair length of .08 to .39 inches (2-10mm)

Micro shaver

The micro shaver can be used to shave along contoured edges to remove any stubble while creating a smooth, well-defined bikini line.

Pen trimmer

Banishes facial hair or touches up the bikini line

Wet & dry

Use in and out of the shower or bath.

Rechargeable/Cordless

Rechargeable and up to 60 minutes of cordless creativity

Exfoliation glove

The exfoliation glove mildly exfoliates your skin, removing dead skin cells, leaving your skin beautifully smooth/radiant.

Travel bag

So you can take BikiniPerfect wherever you go
