Highlights

Touch-up body attachment

The body application trimming head is ideal for quick touch-ups on-the-go. The 26mm trimming head ensures quick and easy use on small body areas (e.g. toes, knee).

Precise face attachment

The face application trimming head is great for quick touch-ups on-the-go. The 8mm trimming head ensures a quick and precise application on any facial area.

Eyebrow shaper

With 2 length options, 2mm and 4mm, to trim hair to the precise length you want. Simply attach the comb onto the trimming head to achieve a precise and uniform result.

Tweezers

Comes with precision tweezers to remove single hairs.

Compact and portable

Small enough to fit in a handbag or clutch and battery powered, so you can take it anywhere you go. AAA battery included.

Cleaning brush

Quickly clean the trimmer and keep it hygienic with the cleaning brush included.

Accessories pouch

Attractive pouch so you can store everything in one place.
