Gentle, yet effective epilation with gentle tweezing discs and 5 accessories

Our SatinSoft epilator with its gentle tweezing discs and a unique skin stretcher, protects your skin against pulling and offers a gentle epilation, wet and dry. It also includes a shaving head with trimming comb and a sensitive area cap.

Gentle, yet effective

- Gentle tweezing discs remove hairs without pulling the skin
- Skin stretcher keeps your skin firm during epilation
- Over 700 tweezer motions per second for a fast epilation

Easy to use

- Cordless
- Choose the right speed according to your needs!
- Use wet or dry, in and out of the shower.
- Comes with a pouch for easy storage

Smart solutions

- Sensitive area cap for delicate skin
- In just one click, your epilator becomes a shaver

Highlights

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hairs as short as 0.5mm without pulling the skin.

Cordless

Up to 30 minutes wirefree epilation, quick 1-hour recharge

2 speed settings

Speed 1 for extra gentle epilation, and speed 2 for extra efficient epilation.

The Skin stretcher

An innovative feature which keeps your skin firm as the epilation head passes and is preferred by women for a less painful epilation**

Sensitive area cap

This epilator has a sensitive area cap. Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas

Pouch

Comes with a pouch to help you store all the epilator with all its accessories.

733 tweezer motions per second

Over 700 tweezer motions per second for effective epilation.

Wet and Dry use

For a comfortable use during your shower routine or while watching the TV.

Shaving head with comb

Detachable shaving head perfectly follows the contours of your bikini line or underarms for a close and smooth shave. Comes with trimming comb.
