Gentle, yet effective epilation with gentle tweezing discs and five accessories

Our SatinSoft epilator, with its gentle tweezing discs and unique skin stretcher, protects your skin against pulling and provides a gentle epilation, whether your skin is wet or dry. It also includes a shaving head with trimming comb and a sensitive area cap.

Gentle, yet effective

- Gentle tweezing discs remove hairs without pulling the skin
- The skin stretcher keeps your skin firm during epilation
- Over 700 tweezer motions per second for fast epilation

Easy to use

- Cordless
- Choose the right speed according to your needs!
- Comes with a pouch for easy storage
- Use wet or dry, in and out of the shower.

Smart solutions

- Sensitive area cap for delicate skin
- In just one click, your epilator becomes a shaver

Highlights

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hairs as short as 0.5 mm without pulling the skin.

Cordless

Up to 30 minutes wire-free epilation, quick 1-hour recharge

2 speed settings

Speed 1 for extra gentle epilation, and speed 2 for extra efficient epilation.

The skin stretcher

An innovative feature that keeps your skin firm under the epilation head, this is preferred by women as it provides a more comfortable epilation**

Sensitive area cap

This epilator has a sensitive area cap. Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas

Pouch

Comes with a pouch to help you store the epilator with all its accessories.

733 tweezer motions per second

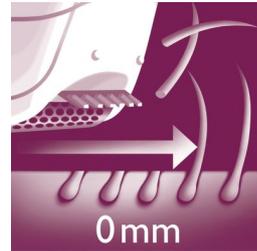

Over 700 tweezer motions per second for effective epilation.

Wet and Dry use

For comfortable use during your shower routine or while watching the TV.

Shaving head with comb

Detachable shaving head perfectly follows the contours of your bikini line or underarms for a close and smooth shave. Comes with trimming comb.
