Epilator for legs & arms

The Satinelle epilator has a large head for fast epilation on legs and arms. Its rounded shape fits perfectly into your hand for comfortable hair removal.

Cordless mini epilator

The mini epilator has a narrow head specifically designed to catch hairs in hard to reach areas without pulling skin. It's battery operated for maximum convenience.

The set comes with matching tweezers ideal for removing hairs on face (upper lip, jaws) or for shaping eyebrows.
