

PHILIPS

Epilator SatinPerfect

Wet & dry

6 accessories

with the skin stretcher

HP6583/02

The most effective epilation of Philips with widest head* and 6 accessories

Our most effective epilator removes even finest and shortest hairs while protecting the skin, wet and dry. Now with unique skin stretcher, preferred for a less painful epilation**.

Smooth skin

- Widest epilator head* covers more skin per stroke
- Over 1300 tweezer motions per second for a fast epilation
- Ceramic textured discs remove even fine, short hairs

Comfortable epilation

- Use wet or dry, in and out of the shower.
- Skin stretcher keeps your skin firm during epilation
- Cordless

Sensitive area solutions

- Sensitive area cap for delicate skin
- Shaving head perfectly follows contours for a smooth shave
- Luxury additional portable tweezers with light and mirror

Highlights

Wide epilation head

Our extra wide epilation head provides you with optimal hair removal in each stroke for long lasting and super smooth results in minutes.

The Skin stretcher

An innovative feature which keeps your skin firm as the epilation head passes and is preferred by women for a less painful epilation**

Cordless

Up to 40 minutes wirefree epilation, quick 1-hour recharge.

1360 tweezer motions per sec.

Over 1300 tweezer motions per second for a fast and effective epilation.

Wet and Dry use

For a comfortable use during your shower routine or while watching the TV.

Sensitive area cap

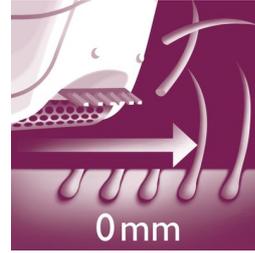

This epilator has a sensitive area cap. Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas

Ceramic textured discs

This epilator has ceramic textured discs to gently remove even the finest hair

Shaving head with comb

Detachable shaving head perfectly follows the contours of your bikini line or underarms for a close and smooth shave. Comes with trimming comb.

Smart tweezers

Tweezers in an elegant case, with integrated light and mirror, ideal for eyebrows
