

Philips Shine & Protect  
Dryer

1600W

HP8212/00

## Extra Shine, Ultimate Protect\*

Get the style you want while looking after your hair. The Shine and Protect hair dryer offers 1600W of professional drying power and care

### Beautifully styled hair

- 1600W for gentle drying
- 2 times Ionic Care

### Less Hair Damage

- Less overheating with Even Heat Distribution technology
- ThermoProtect temperature setting

### Easy to use

- Six flexible speed and temperature settings for full control

# Highlights

## 2 times Shine Ionic Care

Instantly release 2X ions\*\*, effectively anti-static, ion conditioning for shiny, frizz free hair.

## Advanced EHD technology

Advanced Philips EHD technology means that your dryer uses a uniquely designed air outlet to ensure heat is always distributed very evenly - even at high temperatures - and prevents damaging hot spots. This gives ultimate protection to the hair from overheating and thus helps to keep your hair healthy and shiny.

## ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional

protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

## 1600W for gentle drying

This 1600W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

## Six flexible speed and temperature settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.
