1. Important
Please read carefully before you use the appliance and keep it safe.
WARNING: Do not use the appliance near water.
When the appliance is used in a bathroom, unplug it after use since the proximity of water presents a risk, even when the appliance is switched off.
WARNING: Do not use this shaver on children.
Always unplug the appliance after use.
If the mains cord is damaged, you must have it replaced by Philips or a service centre authorised by Philips or similarly qualified persons in order to avoid a hazard.
This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by persons under 18 years of age.
Before you connect the appliance, ensure that the voltage indicated on the appliance corresponds to the local power voltage.
Do not use the appliance for any other purpose than described in this manual.
When the appliance is connected to the power never leave it unattended.
Never use any accessories or parts from other manufacturers or that Philips does not specifically recommend. If you use such accessories or parts, your guarantee becomes invalid.
Do not wind the mains cord round the appliance.
Wait until the appliance has cooled down before you store it.
Pay full attention when using the appliance since it could be extremely hot. Only hold the handle as other parts will get hot and avoid contact with the skin.
Always place the appliance with the stand on a heat-resistant, stable flat surface. The hot heating plates should never touch the surface or other flammable material.
Avoid the mains cord from coming into contact with the hot parts of the appliance.
Keep the appliance away from flammable objects and material when using the appliance.
Never cover the appliance with anything (e.g. a towel or cloth) when it is hot.
Only use the appliance on dry hair. Do not operate the appliance with wet hair.
The heating plates clean and free of dust and styling products such as mousse, spray and gel. Never use the appliance in combination with styling products.
The heating plates has coating. This coating might slowly wear away over time. However this does not affect the performance of the appliance.
If the appliance is used on coloured-treated hair; the heating plates may be always. Before using it on artificial hair, be sure to consult your distributor.

2. Straighten your hair
This shaver is not suitable for hair that is always wet or so long that you cannot straighten it for the first time.

3. Guarantee and service
If you need replacement of any replacement of an attachment or a replacement of the shaver itself, please contact Philips or a Philips service centre. Philips is not responsible for the transportation of the shaver to a Philips service centre or for the return of the shaver to you. Philips is not responsible for the transportation of the shaver to a Philips service centre or for the return of the shaver to you.

4. Guarantee and service
If you need replacement of any replacement of an attachment or a replacement of the shaver itself, please contact Philips or a Philips service centre. Philips is not responsible for the transportation of the shaver to a Philips service centre or for the return of the shaver to you.

5. Environmental information
This product meets the requirements of the European Union for the use of energy-saving lamps.
