### Manageable Power

- Select the optimal speed for all type of ingredients

### Enjoy a variety of recipes

- 1 L beaker with lid
- Chopper to chop herbs, nuts, cheese, chocolate and onions
- Whisk accessory for whipping cream, mayonnaise and more

### No splashing while you blend

- Anti-splash blade guard with special wave shape

# Highlights

## ProMix blending technology

Developed together with the prestigious Stuttgart University, Philips ProMix is a unique, advanced technology that uses a specific triangular shape to create optimal food flow and maximum performance for faster and more consistent blending.

## Titanium coated blade

Titanium layer coating (TiN) that makes the knife six times harder than a regular stainless steel knife and ensures great performance over time. Combined with optimized knife shape and unique ProMix triangular shape of the bar for the best blending results. It is food safe.

## Powerful 650 W motor

# 650W

Powerful 650 W motor

## 16-speeds and turbo

With 16 speed settings you can select the optimal speed for all type of ingredients creating the preferred consistency or smoothest blending results.

## 1 L beaker with lid

1 L beaker with lid to store soups, puree or shake.

## Compact chopper accessory

With the compact chopper accessory of the Philips hand blender you can chop herbs, nuts, cheese, chocolate and onions.

## Whisk accessory

Single whisk accessory for Philips hand blender for whipping cream, mayonnaise, pan cake batter and more. Makes your hand blender multifunctional and versatile.

## Anti-splash blade guard

The special wave shape in the bottom part of the handblender blending bar guarantees no splashes or mess while you blend.
