

SPECIFICATION OF THE CERTIFIED PRODUCT**Product data**

product	: Hand Mixer and Blender
trade name	: PHILIPS
type	: HR1572; HR1574; HR1575; HR1577
rated voltage	: 220-240 V~
input power	: 350 W or 550 W
nature of supply	: a.c.
rated frequency	: 50/60 Hz
class of insulation	: Class II
degree of protection	: IP X0
further information	: -

Remarks

This KEMA-KEUR Annex and Certificate replaced previous Annex and Certificate 3015567.01
The components used in the appliance are laid down in the relevant CB test certificate NL-21534/M3
with test report no. 3019600.50C.

TESTS**Test requirements**

- EN 60335-1:2002 + A11:2004 + A1:2004 + A12:2006 + A2:2006 + A13:2008 + A14:2010 + A15:2011
- EN 60335-2-14:2006 + A1:2008
- EN 62233:2008

Test results

The test results are laid down in DEKRA test report number 3019600.50A/B/C/D.

Conclusion

The examination proved that all test requirements were met.

Tested by : C.S. Man 

Checked by : Ken Wan
