Highlights

Variable speed control with illuminated display

Set the blender to the speed you want with this unique control knob.

Detachable blade unit

Easy cleaning with detachable blade

Programmed ice-crush function

Motor will operate pre-programmed sequence to crush ice easily at the touch of a button

Spatula

The handy spatula of the Philips blender ensures safe stirring while blending the ingredients.

Unique jar

Blade positioned off-centre in the jar will create turbulence and mix ingredients in the most effective way.

Dishwasher safe

All parts are dishwasher safe, except for the main unit and blade assembly.

2 L glass jar

The 2-l jar is made of high-quality glass, which is scratch-proof, and makes it possible to process hot ingredients.

ProBlend 6 star blade

Philips blender with innovative ProBlend 6 technology for blending fruits, cutting vegetables and crushing ice in the most effective way.

Pulse and quiet mode

Pulse button to control the operation and quiet mode that will run at low speed causing a lower decibel level.

900 W motor

This Philips blender has a strong 900 W motor for blending, mixing and crushing effectively.
