Highlights

Powerful motor

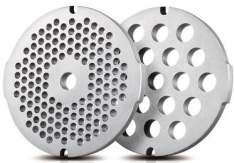

450W nominal, 1600W blocked power for mincing quick and easy.

High capacity

Mincing capacity up to 1.7kgs in 1 minute.

2 stainless steel discs

2 hygienic stainless steel grinding discs (5, 8 mm)

Full metal gear coupling

The full metal gear coupling is designed to withstand heavy duty mincing.

Hygienic stainless steel knife

Hygienic stainless steel cutting knife stays sharp.

Motor protection device

TCO motor protection for long product lifetime.

Sausage horns

The 2 differently sized sausage horns allow you to create different types of results. use the 12mm for thinner results, or the 22mm one for thicker ones.

3 vegetable drums

Cutting vegetables has never been easier with the 3 included vegetable drums. With the 2 shredding drums you can shred to fine or coarse results. The slicing drum goes through vegetables in no time!

Innovative cleaning tool

Innovative 2 sided cleaning tool shortens cleaning time with 50%. After mincing, simply click the mincing screen onto the cleaning tool and rinse under running water. No more tedious cleaning of clogged screen holes!

Easy self feeding

Easy self feeding for effortless mincing.

Self-correcting parts

The knife can only be assembled correctly on the feeding screw.

Integrated handle

Easy to carry thanks to the integrated handle.
