Reliably durable

- Break-resistant jar for intensive use
- Stainless discs to slice, shred, granulate, cut French fries
- Dishwasher safe accessories

Maximum variety of recipes

- Up to 5 portions in one go

PHILIPS

Features

Powerful processing

This Philips Food Processor offers a powerful motor with 2 speeds and pulse, providing power and control to prepare all your favorite recipes.

PowerChop technology

PowerChop

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

Accessories for 28+ functions

The - dishwasher safe - accessories are a kneading tool to mix and knead batter and dough. A stainless steel chopping knife to prepare meat and vegetables. Various disc inserts to handle shredding and grating. Break resistant blender of 1L for blending, crushing and stirring different ingredients. An emulsifying disc to prepare food like whipped cream and mayonnaise. A chopper mill to grind e.g. coffee beans

Up to 5 portions in one go

The generous 2.1L bowl (1.5 L working capacity) enables you to blend up to 5 portions of soup in one go.

Break-resistant jar

A 1.75-liter break-resistant jar has a working capacity of 1 liter for up to up to 5 smoothie portions at once.

Color coded accessories/speeds

Match the color of the speed with the color of the accessory for optimized results.

Accessory storage included

The accessory storage box keeps all your Philips food processor accessories easily at hand. It also helps you to keep all the sharp stainless steel accessories out of harm's way!

Form fitting couplings & tools

This Philips food processor is designed to be very easy to assemble. Its parts simply click together thanks to the clever form fitting design of the accessories.

Stainless steel discs

Full metal stainless steel discs ensure fast processing so you can spend less effort in preparing home made meals

Dishwasher safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well

suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.
