- Battery: Rechargeable
- Charging time: 24 hour(s)
- Power consumption: 0.9/1.1 W

Design and finishing

- Colour: White

Service

- Warranty: 2-year limited warranty

Power

- Voltage: 110-120 V, 50-60 Hz

Features

- Exclusive patented Sonic technology: Dynamic fluid action helps clean between teeth

Highlights

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle

Your Sonicare is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Smartimer

Two-minute timer automatically tracks brushing time and turns the toothbrush off after two full minutes of brushing is complete.

Quadpacer

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on, resulting in more consistent cleaning throughout your mouth

Easy-start programme

Gently increases power over the first 14 uses to ease into the Sonicare experience
