Proven to improve oral health

- Clinically proven safe and gentle

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time

Offers a customized brushing experience

- Easy-start program to acclimate to the Sonicare experience

Highlights

Patented sonic technology

Sonicare's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.

Angled brush head neck

Uniquely angled brush head neck makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Smartimer

2-minute timer helps ensure dental professional recommended brushing time

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience
